

Support the Freedom of Choice Act

With its recent decision on the Federal Abortion Ban, we are concerned that the Supreme Court is moving in a direction that threatens women's freedom and privacy. The Freedom of Choice Act (FOCA) will secure the right to choose by establishing a federal law guaranteeing reproductive freedom for future generations of American women. We need the protection of FOCA now more than ever before.

I urge my members of Congress to stand with the majority of the country, which supports *Roe v. Wade*, by cosponsoring the Freedom of Choice Act.
